WOMEN'S FIELD HOCKEY

The first girl's intercollegiate Hockey team at Muhlenberg college was a great success. Under the able coaching of Miss Jean Hecht, the coeds not only went undefeated but also unscored upon in four encounters.

The coeds opened their season at home with Marywood College of Scranton. Berg completely dominated the game as Carol Enhardt, Sonya Diamant, and Ruth Smith each scored two goals apiece. Marywood could not penetrate the coed’s defense and never got past our 25 yard line. The final score was 6-0.

The second straight shutout win was at home against Moravian, 4-0. High scoring Carol Enhardt tallied 3 times. Mary Jo Benning added the other marker. The final score, 4-0.

The coeds took to the road to gain their third straight win at Marywood College in Scranton. Again the Berg defense prevailed and the coeds rolled to an easy 3-0 win. Carolyn Seeburger, Ruth Smith and Carol Enhardt scored for the Mule coeds.

The coeds traveled to Bethlehem to face Moravian in the last game of the year. They managed not only to stay unbeaten but also unscored upon as they downed the Greyhound coeds 4-0. This gave the Berg coeds a perfect 4-0 record with no goals scored against them.

The great season the coeds had is even more pleasing when you note that there was not one senior. The whole squad including Kay Acosta, Joelyn Borelli, Meredith Bottom, Carol Enhardt, Lena Mae Farr, Josephine Hauhner, Barbara Nace, Louise Niebaum, Carolyn Seeburger, Ruth Smith and Patrice White will be back.
WINNING SEASON—'Berg's first coed field hockey team won all four scheduled games, beating both Marywood and Moravian in return matches. The team also was not scored upon. Of the 15 goals scored by Muhlenberg, Carol Emhardt of Oreland, an outstanding player, led the gals with eight goals. Muhlenberg also competed in two play days with Moravian, Albright, and Kutztown State Teachers College. Pictured here (left to right) are Carol Emhardt, Carol Decker of Allentown, team manager and also a player, and Coach Jean Hecht.
CLOSE COMBAT—Unidentified players of the Muhlenberg College and Marywood College of Scranton girls field hockey teams engage in close combat yesterday. Muhlenberg opened its first season with a 6-0 victory on two goals each by Carol Emhardt, Sonya Diamenti and Ruth Smith. The Marywood girls never got past the Muhlenberg 25 yard line.
Muhlenberg College Women's Varsity Field Hockey

Women's Varsity Sport participation dates back to fall 1959 when Miss Jean Hecht and fourteen young co-eds stepped on Hagen Field (site of the Trexler Library) for the very first women's varsity field hockey contest against Marywood College of Scranton.

Although they were few in number, they had great intensity and dedication. The schedule was modest, but remember at that time, many of our current competitors had not yet gone co-ed. Lehigh and Lafayette did not make the transition until the 70's and Kutztown was still participating in Play Days. So the four game schedule was a beginning and what a beginning — undefeated and unscored upon! Two of our current Hall of Famers, Carol Emhart Kuntzelman and Ruth Smith were high scorers with 'Berg accounting for seventeen goals to the opponent none. In the first game of the season played at 'Berg, the co-eds breezed by Marywood 6-0, the first away game was played at Moravian ended at 4-0. The second game of the home and away at Marywood was 3-0, and the season finale Moravian at home was a 4-0 victory. Stats were simple in those days — 17 goals for Muhlenberg — none for the opponents; four wins in four games played.

Much credit should be given to Athletic Director, Raymond Whispell for his foresight in recognizing the importance of collegiate sports for women. Not only would this sports' program provide a wholesome outlet, but also serve as a valuable recruiting tool as high school programs grew and flourished.

Basketball and tennis were added that same year and many of our athletes played all three sports. Jean Hecht's records for the next seventeen years are
For the second year in a row, the Muhlenberg college girl’s hockey team, under the able coaching of Miss Jean Hecht, had a successful season. They went undefeated in five out of six games, tying in one encounter.

The season started off well with a home game against Moravian. The coeds played a good game, winning by a score of 5-0. The goals were scored by Barbara Buchholz, Carol Embhardt, and Ruth Smith. The second game was also played on the Muhlenberg field against the girls from Marywood College of Scranton. The Muhlenberg girls shut out the Marywood team by rolling up a score of 7-0.

Scranton was the site of the third game of the season when the team met the girls from Marywood once more. Although the Muhlenberg coeds played a hard game and brought home a well deserved victory, they were scored upon for the first time in their two seasons of playing. The final score was 3-1, with Carol Embhardt, Ruth Smith, and Barbara Buchholz each scoring. The center forward of Marywood was able to push past the Muhlenberg defense in the second half to score the first goal against the previously un-scored upon coeds.

The team traveled to Bethlehem to play Moravian in their fourth encounter. They managed to stay undefeated by winning the game 3-2, with Marge Boening, a freshman, scoring once along with Barbara Buchholz and Carol Embhardt.

The fifth game found the coeds on the road once more as they traveled to New Jersey to meet Centenary for the first time. This was a dark day for the coeds as they managed only to tie the girls from Hackensack. Although Muhlenberg was winning 20 at the end of the first half, in the second half they were scored against twice by the Centenary right inner, Eubenspiel.

In the final game of the season, the coeds met Centenary on the Muhlenberg field. At this time, in spite of a freak snow storm, the Muhlenberg girls were able to roll up a 4-1 score against their opponents, with Carol Embhardt scoring three times and Ruth Smith scoring once.

Carol Embhardt was high scorer for the season, making a total of 10 goals. She, along with several others of the team, including Marge Boening, Barbara Buchholz, Ruth Smith, Lena Farr, Ellis Stevens, Barbara Noes, and Berri Kidd, will be returning next year. The senior members of the team this year were Joel Burrell, Diane White, Patricia Mutsma, Louise Neibaur and Meredith Bertram.

Students Want To Get In
Teachers Want To Get Out
What Do You Want. . . .

The colleges and universities of America face a crisis. Tuition is rising faster than our incomes, and the college is becoming a luxury for the few. Administrators and faculties are forced to make cuts in financial aid and in academic programs. The result is a decrease in the quality of education and a decrease in the number of students who can afford to attend.

Teachers want to get out because they don't like teaching. They are no more dedicated men and women than those who train the minds and stir the imagination of our children. They want to get out because they have an obligation to their own children and they cannot discharge this obligation on starvation pay.

What do you want? Do we want our sons and daughters to be denied access to the vast repositories of knowledge that are to be found in our colleges? Should the educational facilities and opportunities of the rich be available to the poor? Should the test scores of students in one state be compared to those in another?

Stumbling Block...

Unnoticed in the excitement of homecoming weekend was a small incident that occurred Saturday night at 23rd and Gordon streets. At approximately 2:30 p.m., a middle-aged couple were crossing 23rd street on their way to the campus. Just as they approached the path leading into the College, a car sped around the corner. The woman was trying to help the man who had just tripped over one of the boulders that had been placed along 23rd street at Gordon. The light that was available at this point of the campus was not sufficient to reveal the extent of injury to the man but a bloody patch on the side of his head could be seen. The man's voice was hoarse.

"They had no business putting that rock there," he said. The rock is usually used for decoration, but it has been moved to the 23rd street at Gordon.

This is probably the first incident that has occurred because of these rocks, but it is not necessarily the last. The lack of safety on this path at 23rd and Gordon has been an encouragement to injury for several years. However, insufficient lighting is not enough to encourage a mishap. Boulders which are supposedly serving the purpose of solving the parking problem on 23rd street have been added to further impede the attempt to traverse the campus from 23rd street.

The remark, "They had no business putting that rock there," is a very applicable statement. Or, if it isn't, what is the business of these rocks which are encouraging injury in a dangerously dark area.

Women Beat Centenary In Field Hockey Contest

by Carol Decker

Carol Emhardt played the dual role of player and coach as the Muhlenberg girls beat the previously undefeated Centenary squad 4-1 in a home game Monday.

Due to an accident, Miss Hecht was not able to watch her girls be the first to defeat the Hackettstown eleven in three years.

Tied Wednesday

In an away game last Wednesday, the two teams battled to a 2-2 tie. Centenary's Judy Os- good made the opening goal of the game early in the first half. Game captain Carol Emhardt answered the threat with two driving goals to give Muhlenberg a 2-1 lead at half-time.

A spirited eleven returned to the field determined to increase the score "for Miss Hecht," and did just that. While the defense held Centenary pointless, Carol and Ruth Smith tallied two more goals before a freak snowstorm which made it impossible to do any more real playing.

One More Game

The victory now puts the girls record at 4-0-1. They have one more game remaining on their schedule, Millersville college, today at 4 p.m. on the girls' hockey field.
Hockey Victory Streak Up To Seven With 7-0 Win

Carol Emhardt, surrounded by a host of Marywood players, slaps the ball into the goal.

by Carol Decker

Rolling to an easy 7-0 victory over Marywood college in a home game last Saturday morning, Muhlenberg's hockey team continued its practice of shutting out its opponents. Miss Hecht's coeds still are undefeated, untied, and unscored upon after six games of varsity competition.

A thoroughly unprepared, though game, Marywood eleven allowed three goals in the first half by Carol Emhardt, Ruth Smith, and Barbara Buchholz, and the same trio of forwards again tallied points in the second half with Carol driving in two more. Berg goalie Barbara Nace was never threatened since Marywood was kept from going over the 25 yard line by the Mule's strong, driving defense.

Representing Muhlenberg on the field were Margie Boenning, Barbara Buchholz, Carol Emhardt, Ruth Smith, Jolie Borelli, Cookie Fair, Diane White, Pat Missimer, Betsy Kidd, Louise Neibaur, and Barbara Nace.

This afternoon the two teams met again at Marywood, and next Wednesday Muhlenberg will host Centenary at Hagen field at 4 p.m.

Frosh Gridders To Make Debut Against Strong Leopard Team
by Ed Myer

Tomorrow afternoon the Little Mules travel to Easton to open their season against Lafayette. The Leopard Frosh have many top notch performers and they can be expected to have a strong ground attack. Conversely Coach Joe Federico's charges will concentrate on a passing attack in keeping with the new look at Muhlenberg.

Coach Federico also indicated that he hopes to use the two unit system. The squad has suffered only three player losses—all three to injuries—and they appear to be ready both physically and mentally. Expected to be on the field when the opening whistle blows are: Rich Waterman and Dave Ponsik at the terminals, John Chimerlain and Sam Beidlerman at tackles, Bob Martin and Ron Barlock at guards and Eimer Johnson will hold the center duties. Bill Cooperman will direct the attack at quarterback, John Murtaugh and Al Joseph will be at the halves and Bill Beidlerman will round out the squad at fullback.

Berg Coeds Hockey Team Wins Third Straight Game Against Marywood, 3-0

Muhlenberg's athletic coeds rolled to their third straight win yesterday against Marywood college in Scranton. The final score was 3-0, marking the third straight whitewash of the year for the Berg coeds.

In the first half of a sloppy played game the Mules managed to pick up a 1-0 lead on a goal by Carol Sioeburger. This tight score at the half was in marked contrast to the first game against Marywood in which we won quite easily.

In the second half we broke the game open with goals by Ruth Smith who played an outstanding game and Carol Emhardt, the team's leading scorer.

Our great defense stopped Marywood from taking a single shot.

On Saturday the coeds have a play day at Cedar Crest.

Here they are, the girls undefeated and unscorched upon hockey team. Front row, left to right: Meredith Bottum, Carol Emhardt, coach Miss E.A. Hecht, Louise Neibaur, Josephine Haubner. Back row, left to right: Ruth Smith, Irm Engelhard, Carol Decker, Carolyn Seeberger, Julie Borelli, Diane White.

Muhlenberg's coeds closed out their season with another win yesterday against Moravian. The score was 2-0 with Carol Emhardt scoring both goals, 7 for the season. This was the fourth straight shutout for our coeds which makes their season record quite impressive.

This was a tough contest in which both teams had many scoring opportunities but the Mules defense which has been tough all year came through again.

Our coeds conceded that this was our toughest game of the season.

Outstanding for Berg besides Carol was Joey Haubner, promising freshmen.

The next tentative date is a playday similar to the one at Cedar Crest last week.
Coeds Begin Practice For Field Hockey

Practice is again underway for the Women's Varsity Hockey team's second season of intercollegiate competition. Last year Miss Hecht's girls had the outstanding record of no losses, no ties, and un_scored upon in four games.

Returning letterwinners are Joelle Borrelli, Diane White, Louise Nebaum, Meredith Bottom, Cookie Farr, Carol Emhardt, last year's high scorer, Carol Decker, Barbara Hane, and Ruth Smith. Newcomers trying for positions on this squad are Sonya Diamanti, Pat Misimer, Mary Hoffman, Mary Ann Nadig, Marjorie Bemeling, Elise Stevens, Barbara Buchholz, Nancy Andrew, Betty Kidd, and Audrey Heupel, manager.

In addition to games with Marywood, Moravian, and two Playdays, the Muhlenberg girls will also meet a new opponent, Century. Opening game will be on the home field Wednesday, October 5, at 3:30 against Moravian College.

By now, I guess everyone has heard that the football squad lost to Bucknell in their recent scrimmage. The score was 45-7.

However, the score gives no indication of how the game was played. Except for a few bad mistakes, of which Bucknell took advantage, the game was fairly close.

There were many good and bad points shown by our team. Let's take a look at some of the bad points. First of all, our pass defense was very poor. Bucknell, after scouting us in the first half from the press box, started throwing the ball. And with an excellent passer like Paul Tehres, they were very successful. There was not enough pressure put on the passer by the line and the backs need more work on their defensive maneuvers. You can be sure that the team will be drilled quite extensively on these points in preparation for Albritton.

We will also be working on our defensive line play. Bucknell ran a few trap plays which were very successful.

But everything was not so bad. The pass-protection blocking was not bad at all. At times, we also ran the end and tackle holes well.

One thing has to be remembered. This was a scrimmage—not a game. We went out there to win, of course, but a scrimmage is played mainly to find out the weak and strong points of a team. We feel this scrimmage has done just that.

We intend to correct our mistakes and improve our strong points in time to—BEAT ALBRIGHT.
Hockey Squad Extends Streak With Double Win

by Carol Decker

Marywood college’s Mary Jane Hurley batted in the first goal ever to be scored against the Muhlenberg coeds in an away game that ended 3-1 last Thursday. The green and white center forward finally battled through for the point in the second half.

Carol Emhardt added to her growing number of goals with a long, strong drive into the cage soon after the opening bully. Afterwards, the ball changed hands several times, and despite Marywood’s efforts to score, the offense out-ran them to increase their lead to 2-0 with Ruth Smith pushing it over.

Last Goal
Following Marywood’s record-breaking goal, freshman Barbara Buchholz was our only coed to get through for a point. Marywood proved spirited opponents who had definitely improved since last Saturday when they were whitewashed 7-0.

Playing the entire game for the Cardinal and Gray were Betsy Kiel, Barbara Buchholz, Carol Emhardt, Ruth Smith, Joell Borelli, Cookie Farr, Diane White, Pat Missimer, Louise Niebaum, Elle Stevens, and Barbara Nace.

Moravian Defeated
Leading 1-0 at the half, the Moravian girls gave our low-spirited coeds quite a scare in a game played Monday on the Greyhound’s field. Led by center Carol Emhardt, the Muhlenberg eleven rallied in the second half and left the

Berg Booters Downed By Diplomats, 4-1, In Saturday Contest

A large, partisan, homecoming crowd at Franklin and Marshall saw the Muhlenberg soccer team suffer its second defeat of the season. The Diplomats capitalized on Muhlenberg’s lack of depth to register their 4-1 victory.

The first half saw a see-saw battle between the two clubs with neither side having the definite advantage. However, by the end of the half the Diplomats held a slight 1-0 lead, the goal scored by Segal Latvik.

Ruff Scores
Much to the delight of the crowd Jon Dokes increased the Diplomats lead to 2-0 with a goal early in the third quarter. However, the Mules came right back and brought the count to 2-1 when Chuck Buff scored on a direct kick.

Unfortunately, that was to be the only Mule score of the afternoon. The Diplomats went on to win the game by scoring two more goals in the fourth quarter.

Starters Out
The Mules were definitely hampered by the fact that three starters were unable to play. Elliot Puritz, starting goalie, and Don Nicol and Bob Kindred, starting inside men were all unable to play because of illness and personal reasons. The team also was hurt by the fact that a few of the players were playing with bad colds and thus could not play up to full capacity.

The loss sets Muhlenberg’s record back to 6-3-2.
Miss Jean Hecht, Muhlenberg's most frequent user of the tennis courts, came to Berg four years ago via the East Stroudsburg State teachers college and Temple Graduate school.

Earned Masters at Temple
As an undergraduate Miss Hecht played hockey and basketball. Her specialty however, was tennis where she excelled.

After ESSTC she went to Temple where she earned her Master of Science degree.

Undefeated Hockey Team
During her tenure at Muhlenberg Miss Hecht has turned out outstanding teams in all the women's sports in which Muhlenberg participates. Her most shining achievement to date has been the women's field hockey team. Over a two year span the hockey team has not lost a game and has had two goals scored against them.

The Mules' second half began to show in the second half as

Bell's pass to Roveda, Crider's pass to Machin, and Machin's

Late Sport Results

Soccer, X-Country Teams Win

Muhlenberg's soccer team broke a two year famine yesterday when they defeated Wilkes college by a 1-0 count on the home field.

Frank Goal

The victory was earned when, late in the first half a Wilkes player, John Brooks, accidentally booted the ball past his own goalie. Franklin and Marshall continued their great goal of the day.

The score, however, does not indicate the actual course of the game. The Mules continually outplayed the counter parts from Wilkes, even though they were unable to score.

Avengers Defeat

The victory avenges a defeat, the 1946 season also over Albright.

In 1947, Muhlenberg lost seven but tied Moravian and, after losing seven in '48, the Mules dropped four meets last season, with a tie with Franklin and Marshall (won by Muhlenberg) and the Franklin and Marshall tied in '48.

The half-time internationals at the Homecoming games with Franklin and Marshall will feature a marathon relay around the campus.
